Message from our President

It's Board of Directors Election Time, folks!

Yes, it's that time again! Time for us to beg, plead, cajole, wheedle, entrap, beguile, beseech, implore [thank you, Roget] you to consider serving on the Board of Directors of your local APICS chapter.

"Why would I want to do THAT?" you might ask.

"Well," we would respond, "because it allows you help ensure the future of the chapter. Because it will let you correct the sins of commission and omission that you complain about. Because it allows you to 'give back.' Because it's not good when the same people serve year after year. Because it's worth a few annual points for your certification continuing education credit requirements. Because you get a free dinner once a month when we meet to discuss chapter issues."

I could go on, but I think I've given you ample reasons!

So if I have sweet-talked you into wanting a position on the Board, please send one of us an email, and try to attend our next meeting on Wed. May 11, 2016. We'd love to hear from you and love to have you on the Board!

Side note: you do have to be a member of the chapter. If you're not a member yet, and you want to serve on the board, becoming a member is very easy, so don't let that scare you away.
